Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

In the Specification:

At page one, item (73) Assignee was split into two entities when the Assignee is only one entity as follows:

The error was not in the application/assignment as filed by applicant, and the Assignee was typed correctly on the PTOL-85 as filed by the applicant on November 6, 2007; accordingly no fee is required.
